REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

In view of the applicant's amendments and after further consideration of the invention, the claims as presented avoid the prior art of record. The prior art does not disclose a bicycle riding assembly comprising a treadmill adapted to support a bicycle to simulate bicycle riding wherein the assembly further comprises a positioning sensor, a belt rotation assembly that is responsive to the output of the sensor, and a device that applies various forces on the bicycle to mimic physical effects, such as inertia, felt by a
